

Open Software Foundation (OSF) Contributor Agreement, Version 1.0

Thank you for your interest in contributing to the OSF product development community. As you may already know, OSF projects are community developed. OSF is very interested in receiving your contribution to several OSF projects and project ideas. However, in order to participate, we need to confirm how the rights in your contribution (“Your Contributions”) will be handled. Following the practices of the Free Software Foundation and other open source communities OSF requests that you assign the copyrights and patents in Your Contributions to OSF (with a license back to you to use it in any way that you please). OSF requires that you have a Contributor Agreement on file prior to using any of Your Contributions in order to help guarantee that the intellectual property (IP) contributed or embodied within OSF Products remains unencumbered for use by the whole of the community. This Contributor Agreement is to make clear the rights between the parties.

If you have not sent us a signed Contributor Agreement, please review and sign the Contributor Agreement and send it by facsimile to OSF at +1 425-675-7578 or email to contribute@opensoftwarefoundry.org, and send an original by regular mail to OSF, Attn: OSF Contributions Coordinator, 1318 Hamlin St NE, Washington, DC 20017. Please read this Contributor Agreement carefully before signing and keep an original for your records.

In consideration for the potential inclusion of Your Contributions in the OSF Products and the license back, you, on behalf of yourself if you are an individual, and on behalf of your company or organization if you are signing this Contributor Agreement as an authorized representative of your company or organization, agree to the following terms and conditions:

1. The term “Your Contributions” means all of your past, present and future contributions of object code, source code and documentation to OSF, however submitted to the OSF, excluding any submissions that are conspicuously marked or otherwise designated in writing by you as “Not a Contribution.”

2. You assign all right, title and interest worldwide in all patents, inventions copyrights and related moral rights (“IP Rights”) for the full term of their existence in and to Your Contributions to OSF and OSF shall be able to record this assignment. If the moral rights are not assignable, you agree to waive their enforcement against OSF and its sub-licensees, either direct or indirect. However, at the same time, OSF grants to you a non-exclusive, perpetual, irrevocable, worldwide, royalty free, transferable IP Rights license to reproduce, prepare derivative works of, distribute (internally and externally, in object code and, if included in Your Contributions, source code form), make, use, sell, offer for sale, publicly perform and publicly display Your Contributions, with the right to sublicense all of these rights through multiple tiers of sub-licensees. The intention of the parties is that this license will be as broad as possible and to provide you with rights as similar as possible to the rights of the owner of the IP Rights. This license is limited to Your Contributions and does not provide any rights to the OSF Products.

3. You represent that you are legally entitled to assign the rights and grant the license set forth in paragraph 2. If you are an individual and your employer(s) or third parties have

rights to intellectual property that you create, you represent that you have received permission to make Your Contributions on behalf of that employer or third party, or that your employer or that third party has waived such rights for Your Contributions to OSF.

4. You represent that, except as disclosed in Your Contribution submission(s), each of Your Contributions is your original creation. You represent that Your Contribution submission(s) include complete details of any license or other restriction (including, but not limited to, related patents, copyrights and trademarks) associated with any part of Your Contribution(s) (including a copy of any applicable license agreement). You agree to notify OSF of any facts or circumstances of which you become aware that would make your representations in this Agreement inaccurate in any respect.

5. You provided Your Contributions AS IS, WITHOUT WARRANTY OF ANY KIND AND DISCLAIMS THE WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT. Similarly, the license back to Your Contributions are provided AS IS, WITHOUT WARRANTY OF ANY KIND AND DISCLAIMS THE WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT.

7. IN NO EVENT WILL YOU OR OSF HAVE ANY LIABILITY FOR ANY CLAIM, WHETHER IN CONTRACT, TORT OR ANY OTHER THEORY OF LIABILITY.

8. This Contributor Agreement shall be governed by the laws of the District of Columbia (DC) as such laws are applied to agreements entered into and to be performed entirely within the District of Columbia between DC residents and by the laws of the United States. You agree that the United Nations Convention on Contracts for the International Sale of Goods (1980) is hereby excluded in its entirety from application to this Contributor Agreement. In the event of invalidity of any provision of this Contributor Agreement, the parties agree that such invalidity shall not affect the validity of the remaining portions of this Contributor Agreement. This Contributor Agreement is the entire agreement between you and OSF relating to the subject matter of this Contributor Agreement which supersedes any prior agreement, whether written or oral, and may be amended only by a writing signed by both parties. This Contributor Agreement can be assigned by either party.

9. Non-Disclosure: You hereby agree not to unofficially disclose OSF project blueprints, schematics, diagrams, and other project research and development details you may have access to without prior written permission of the foundation.
